

Section II – Coach, Player, Spectator, and Parent Behavior:

1. **Obnoxious Behavior:** The Ohio Valley Youth Football League encourages players and coaches to bring families and friends to be fans and spectators. This is a family oriented program. Therefore, if a player, coach or spectator becomes unruly or obnoxious in his or her behavior and harasses, intimidates or ridicules the coaches, players or referees, he or she will be warned once by the **referee or the field administrator**. If he or she persists in such offensive behavior, the offender will be removed from the game or the referee may reward the game to the offended team by forfeiture. ~~All parents will be required to sign a sportsmanship form from the OVYFL and will be kept on file with each individual program.~~
2. **Probation and Rules Infraction:** If it is determined that a head coach of an **organization** has broken the rules of eligibility as determined by the League, then said head coach will be banned from the OVYFL for life. If a second incident in the same season with that **organization** occurs and is not brought to the attention of the OVYFL Board by the associations president, the associations president as well as the coach who broke the rules of eligibility will be banned from the league for life. If an **organization** is new to the League the association will automatically be on a three year probation and if the association breaks the rules, they will be removed on the first violation.
3. **Coaching Staff on Sidelines and Team Uniforms:** Each team may have only eight (8) adults on the sidelines. One (1) head coach, six (6) assistant coaches and a trainer. These **individuals** must be indicated on the Official Team Roster. No player associated with any team shall be on the field or bench unless wearing the team jersey. Coaches shall have a team shirt and a **official OVYFL I.D Badge** or they will not be allowed on the playing field or sidelines. Failure to limit the coaches to eight (8) will result in an unsportsmanlike-like penalty of 15 yards.
4. **Coolers:** No coolers or food allowed into game parks. **Team water coolers only are permitted**
